I write on behalf of Debbie Wasserman Schultz for Congress to the Commission's letter dated October 22, 2014 regarding the Committee's October Quarterly Report. Regarding Column B of the Summary and Detailed Summary Pages, the Committee is amending its report to make the necessary corrections. Regarding Line 11(a)(ii) of the Detailed Summary page, the Committee is aware of the \$200 itemization threshold. It raises substantial funds through internet and direct mail fundraising which results in large numbers of unitemized contributions. The Committee endeavors to ensure that contributions are properly aggregated and itemized when necessary. Regarding Schedule B supporting line 17, the Committee is amending its report to make the requested clarification. If you have further questions, please contact the Committee.
